TECHNOBUILD

COMPANY'S PROFILE

www.technobuild-ksa.com

Saudi Arabia's leading supplier of lighting since

1980

HISTORY

تكنولايت
TECHNOLIGHT

Technolight was established in 1980, the first lighting company to enter the Saudi market.

Over a span of 40 years, we have become Saudi Arabia's leading supplier of lighting, fixtures, furniture, audio-visual and lighting control systems , including architectural projects.

Our portfolio of upscale projects speaks to our philosophy: We supply lighting that not only illuminates the surrounding space, but also sparks the creative energy within.

VISION

Our vision is to be the company of choice when it comes to all lighting, audio-visual, and contract furniture related activity in Saudi Arabia.

MISSION

Our mission is to supply upscale lighting, audio-visual, and furniture that illuminates surrounding space and sparks the creative energy within.

COMPACT
EFFICIENT
ECONOMICAL

Light Factory in Lüdenscheid is a leading international specialist in architectural lighting using LED technology.

The family business, founded in 1934, now operates with over 60 subsidiaries, branches and agencies all around the world. Working closely with architects, lighting designers and engineers.

ERCO develops lighting tools for customized lighting solutions in architectural projects for culture and retail, work and hospitality, life and public buildings.

ERCO understands light as the fourth dimension of architecture – providing individual lighting solutions to support creative designers in turning their visions into reality.

PROMINENT POSITION IN THE OUTDOOR AND INDOOR

CASTALDI LIGHTING
was founded in 2011 from the merger between
"Ing. CastaldiIlluminazione" and "Norlight",
two well- established companies in the lighting industry.

These Companies had successfully acquired a prominent position respectively in the Outdoor and Indoor segments, with a particular focus on Office Buildings, Retailing, Public areas etc. and on Specialties applications (e.g. Pharma industry, Hospital, etc.).

INNOVATIVE
ATMOSPHERIC
TRANSFORMATIVE

Somewhere on the globe it is always about to get
dark and the setting sun sets the stage for a new, shining play.

When the streets and squares of a city, and when boulevards, buildings and parks are transformed by a new, atmospheric light, this mesmerizing shift is often the work of WE-EF.

For many years we have been
•designing and producing exterior lighting technology that is more than
just bright.

ARTISANAL
INNOVATIVE
GLOBAL

Koleksiyon is founded in 1972 as “an industry in the service of design” by an architect, Faruk Malhan. Years of collaborations with architects and designers, guided by the family’s art direction, resulted in the accumulation of innovative designs for a global portfolio, serving customers around the world. This portfolio is a result of Koleksiyon’s quest for artisanal and artistic qualities, filtered through aesthetic and ethical judgements, to create designs that have documentary value.
